PUBLIC IS WARNED **Against Taking** Substitutes for **Nuxated Iron**

Physicians Below Say That Ordinary Metallic Iron Preparations Cannot Possibly Give The Same STRENGTH, POWER AND ENDURANCE As Organic Iron - Nuxated Iron

United States Judge Atkinson **Gives Opinion**

Careful investigation by physicians among druggists and patients has revealed the fact that there are thousands of people taking iron who do not distinguish between organic from and metallic iron, and that such persons often fail to obtain the vital energy.

strength and en-durance which they seek, simply because they have taken the wrong form of iran. Therefore, phy advis strength and blood builder to go to their fam-lly doctors

doctors and obtain a prescription calling for or-ganic iron-Nux-... Atkinso Judge L. ated Iron—and predruggist so that there may be no question about obs without hesitation hat I recommend Nuxated from to persons who in the stress of physical or mental abors have permitted he system to become lebilitated, the body exhausted or the neres run down. It has not or the person of t do not wish to go to the trouble of Nuxated Iron then be sure to look on the label and see that the words NUXATED words NUXATED IRON are printed

and see that the words NUXATED IRON are printed thereon—not Nux and Iron mor any other form of iron, but Nuxated Iron. The remarkable results produced by Nuxated Iron and its widespread sale it being estimated that over three million people annually are to-day using it), has led to the offering of numerous substitutes, and these physicians say that health officials and doctors everywhere should caution the public against accepting substitutes in medicines and they especially warn against accepting substitutes in medicines and they especially warn against accepting substitutes in medicines and they especially warn against accepting substitutes in medicines and they especially warn against accepting substitutes for Nuxated Iron, which, instead of being organic iron may be nothing more than a merallic iron compound which may in some observed produce more harn than good. The widespread publication of the above information, has been suggested by Dr. James Francis Sullivan, formerly physician of Bellevue Hospital Outdoor Dept.). New York, and the Wentchester County Hospital; Dr. Ferdinand King, New York Physician and Medical Ambor and others, so that the public may be informed on this subject and protected from the use of metallic iron under the delution that it is Nuxated Iron or at least something as good as Nuxated Iron.

It is surprising how many people suffer

or at least something as good as Nuxated Iron.

It is surprising how many people suffer from iron deficiency and do not know it. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength and see how much you have gained.

Manufacturers' Note-Nuxated Iron, which is

Manufacturers' Note—Nuxaled Iron, which is rescribed and recommended above by physicians a not a scent remedy but one which is well mown to drugates. Unlike the older inorganic ron products it is easily assimilated does not injure the beeth, make them thinks nor unset the formach. The manufacturers guarantee successful and entirely satisfactory results to every purchased by they will refund your money. It is dispensed in this city by all good druggists.

RANDOLPH Mrs. I. W. Rowell Died Tuesday After a Short Illness.

Mrs. J. W. Rowell passed away on l'uesday morning after a several days' gradual decline, caused by her age and the infirmities attending it. While she had been in a serious condition for several days, it had not been generally known, and her death was a surprise to many here. For the last 10 or 15 years Mrs. Rowell had been blind, which has been a sore affliction to her, but which she bore with great fortitude and without complaint. Naturally a student and fond of reading, it was a great trial to be deprived of her sight in her last days, but all has been done to make her life comfortable and happy. Mrs. Mary (Wheeler) Rowell was born Dec. 30, 1832, to Rev. and Mrs. Leonard Wheeler, the former having been for years the pas-tor of the old Christian church in this place. Mrs. Rowell was the last of her mmediate family, and is survived by her husband, Judge Rowell, with whom she has traveled the journey of life for many Two nephews, Leonard Wheeler of White River Junction, and Dr.

Mr. Sweet, who lived on School street n the Howard house, who has been ill for several weeks, died on Tuesday morning, leaving a wife and five children. Mr. Sweet came here from Brookfield and had been employed by the Brigham creamery company for the most part of the time, until he was obliged to give up his work on account of illness. It is understood that he formerly came from the state of New York, where he has now two brothers, who have quite recently been in town to see him.
